

Camp Mary Orton Weddings

The historic Lodge at Camp Mary Orton (CMO) makes an ideal location for a wedding, reception or both. The warmth of the wood floors, high-beamed ceiling and 12 foot wide stone fireplace make for an inviting location to celebrate your day. The rustic setting and extensive outdoor space available makes Camp Mary Orton the perfect destination for couples searching for a more casual outdoor venue.

The Lodge is a 5000 sq. foot building offering an industrial sized kitchen with ample counter, refrigeration and stove space, and two large rooms: the room closest to the kitchen is 2,280 sq feet, and the room with a working fireplace is 2,065 sq. feet. Rental fees include use of the whole lodge for the day of your event. Lodge rental season begins the first weekend in May and runs through the first weekend in November. Our rental season is limited as our lodge is not climate controlled (no air conditioning and no heat). We can rent outside of our traditional rental season, but the challenges of no heat and no water can exist as plumbing is turned off for the cold weather months.

Please keep in mind we are not a traditional banquet facility. We are truly a summer day camp for Columbus's inner-city children through the week and host additional events on the weekends. As a United Way Agency, your dollars spent stay directly here to help keep CMO and the summer camp program open for the children.
